volume 8

I used to think the countryside was nice and quiet, but boy, was I wrong. The sparrows go "CHIRP" in the morning. Next, the crows go "CAW." Of course, the chickens go "CLUCK CLUCK." In the marsh, the frogs go "CROAK" and "BARRRUMP." That last one is a bullfrog. And, how could we forget the dogs that go "WOOF"? And "MEEEOWROO"? That's a cat in heat. And then there are the little brats...er, the children. For the grand finale, the weaving looms go "KACHUNK KACHUNK KACHUNK." But the loudest thing of all is our parrot..."SQUAWK!!"
